Gardner Mountain WSA will be released from a WSA and will no longer be eligible for a Wilderness Designation. It will now be known as the Fraker Mountain Management Area with the following Legislative Management Criteria:

A. Area boundaries shown on map (see submitted map)
B. Designation to only affect Federal land; no effect on private or state lands within or adjacent to NFA.
C. Recommend no motorized/mechanized vehicle usage except for
    1. Fire Suppression
    2. Livestock management and infrastructure
    3. Forest health and restoration
    4. Wildlife habitat management
    5. Emergency needs
    6. Control of noxious and invasive species
D. No energy development or mining leases
E. Existing uses continued
F. Management purposes are to maintain the area's non-motorized/back country recreational, cultural, ecological, watershed, grazing and wildlife values.
G. No development of new permanent roads
H. No Recreational Development
