HISTORY OF SURVEYS

Township 49 North, Range 82 West of the Sixth Principal Meridian; The Township Lines and 12th Standard Parallel North were originally surveyed in October 1880 by Downey and Grant, and the Subdivisions in December 1880 and January 1881 by A.P. Hanson while under contract by the G.L.O.

CERTIFICATE OF SURVEYOR

State of Wyoming)
 County of Johnson)^{SS}

I, *Keith A. Neustel*, being a Registered Land Surveyor in the State of Wyoming, do hereby certify that this map was made from notes taken during an actual survey in 1985 by Kerry C. Money, for whose work I stand personally responsible, and that it accurately delineates a retracement and re-establishment of the lines of the original surveys in their true original position according to the best available evidence of the location of the original corners, and that the survey was made in strict conformity with the Manual of Instructions for the Survey of Public Lands.
