I, Clyde R Wood of Buffalo Wyoming hereby certify that this map was made from such records as are available in the Office of the County Clerk and Ex-officio Register of Deeds of Johnson County Wyoming. The original map of the YOUNG ADDITION and of the YOUNG SECOND ADDITION, having been lost. Such records consist of the following; First, Receiving Book "C" shows that on January 27th 1917, Instrument No 20813, Edwin Burrill filed a Plat of the Young Addition and the Grants are shown as W.H. Zindel and Richard Young while the Grantee is the Public, Second, Book No 19 of deeds on Page 248 shows a deed which describes the Young Addition and the Young Second Addition said description being shown in detail elsewhere on this map
 Third, the official plat of the Buell Addition to Kaycee Wyoming as surveyed and mapped by Edwin Burrill also shows thereon a detailed map of the Young Addition and of the Young Second Addition, both of which are in accordance with this map and the description here on and I hereby certify that this map is correct only in so far as the above listed records are correct.

Note: The North distance of 693 feet as shown on the east boundary of the YOUNG ADDITION is apparently an error as this distance should be 743 feet.
