4. Please rank the following statements in order of their importance to you, with "1" being the most important criteria and "8" being least important. Please do not rank multiple items at the same level.

"If I ever needed long-term care skilled nursing services ...

Rank	Criteria
	... I'd want to live close to Veterans' Administration health care facilities."
	... I'd want to live close to family."
	... I'd want to be in a community with a large veterans' organization."
	... I'd want to be in a community with outdoor recreation activities."
	... I'd want to minimize the cost of long-term care to myself or my family."
	... I'd want to live in a community with local amenities and things to do."
	... I'd want to live in a community where the cost of living is low."
	... I'd want to live close to non-VA speciality doctors."

5. Imagine that someone you loved very much needed to go to a nursing home, and that you had two options for care: someplace closer that is more expensive, and someplace less expensive that is further away. Which option would you choose?

Assume that the quality of care received at each facility would be the same (high quality).
