

On June 16, 2018 the Mountain Plains Heritage Park board members: Christy Kessler, Rick Durfee, Megan Boggs, Vicky Gearhart and George Korhel met to do clean up at the park. Also helping were: Frank Pratt and Dennis Boggs.

Cleanup consisted of trimming trees and bushes, mowing and trimming, placing trail markers and grading of the trail. Members inspected the cabin, and it was discovered that some of the chinking needed to be repaired. Christy contacted Bret Markovsky with Mr. Fix It and requested to repair the areas.

The next board meeting will be held on July 18th at 4:30 pm at the Johnson County Library.
