S.A BUDGET MESSAGE WR 18.4.1018

FY2018 was witness to some major projects and improvements at our Kaycee and Buffalo cemeteries. Some of the highlights include:  
 Kaycee - drip sprinkler system, tree planting, boundary line and fencing.  
 Willow Grove (Buffalo)- install and complete south expansion area; internal road improvements; completed approach areas off HWY 87; commenced installation of CIMS software program; upgraded pumping facilities for irrigation purposes.  
 The above Capital Outlay efforts were funded through use of Capital Outlay reserves. Operations reserves were likewise used to fund the operating budget. Thus, there was no tax levy for FY2018.

In FY2019, we plan to continue to use Capital Outlay reserves to accomplish some more of our longer planned major projects, including:  
 Kaycee - tree planting, water system functionality, internal road upgrades, flag pole installation and lighting appropriate for the veteran's area.

Willow Grove (Buffalo)-improvement of graveled interior roads; asphalt surfacing of the main entry areas; improve our front entry gate; upgrade the existing log building; CIMS software system, with a goal of being close to 100% current by the end of the fiscal year; aggressive tree trimming program; flag pole installation and lighting appropriate for the veteran's area; installation of security devices to control and monitor unauthorized access; consider building improvement options that will lead to public restrooms, and possible on-site office space, and public use areas.

No consequential changes are anticipated in our FY 2019 operations budget.

Accumulated Capital Outlay reserves had been established in anticipation of funding the FY2019 needs listed above, plus continuing projects anticipated to occur in the next four to five year range. Accordingly, the District has designated a total reserve of \$757,000 to fund Capital Outlay projects. The FY2019 Capital Outlay budget, encompassing the foregoing project list comes in at \$372,000 for the year, thus reducing that reserve to \$385,000 by 6/30/19. (We acknowledge that the FY2019 project list is ambitious, and that some portions may have to be deferred past FY2019).

Considering all things, the Board has determined to fund a portion of our operating requirements thru use of existing reserves. Budgeted Operations Expenditures of \$327,950 will be first offset by \$42,000 of misc (non-tax) revenues, resulting in a shortfall of \$205,950. To cover that amount, plus an anticipated \$43,002 negative impact from the WPX refund, we will be using \$120,552 from our operating reserves, and requesting a .5 mil levy to cover the remaining \$200,000. The foregoing will have the effect of reducing our operations reserve to about

S.B RESERVE DESCRIPTION

Reserves at June 30, 2018 are projected to consist of Capital Outlay Reserves: \$757,000 and Emergency Reserves: \$937,000
