Remarks: Irrigation water releases continued from the south dam last month from October 1 -11th; irrigation ceased on the 11th of October and the south dam gates were shut off for the season. Healy Reservoir released water from October 5 - 11th to lower the water level for inlet gate repairs. The Moore appropriation started filling through the Lake DeSmet ditch out of Rock Creek on October 1st. While there was some precipitation early on, most of the month of October experienced dry and warm conditions which contributed to
