DISCLAIMER AND RESTRICTIONS

In obtaining Johnson County, Wyoming GIS data, users agree to the following conditions, restrictions, limitations and terms:

Conditions:

- Johnson County GIS data is distributed as is. The county will not responsible for re-projecting any GIS data.
 - GIS data will be provided in ESRI shapefile format AND will be projected as follows: **Wyoming State Plane, East Central Zone (FIPS 4902), NAD 83, US Feet**

Restrictions:

- Government entities, educational entities, or public utilities: you will not resell, or distribute, the County GIS data.
- All other entities: you will not resell or redistribute the *County* GIS data without direct county consent.

General Disclaimer and Restrictions for all entities:

- Data provided by the County is for the sole use of the user requesting the data. It is to be used in the conducting of its daily business.
- None of the data provided may be reproduced or redistributed without the County's consent. This limitation is not intended to restrict the User's distribution of printed documentation. When County GIS Data is used to produce a written or printed document, you are required to note on or within the document that you have received the data from Johnson County, Wyoming.
- Johnson County shall not be held responsible for any misrepresentation or adjustment of the Johnson County GIS data through data manipulation, tabular edits or spatial edits.
- The Johnson County Planning Department in connection with the Johnson County Assessor's Office shall not be held responsible for inappropriate or incorrect use of this information.
- Johnson County GIS Data is created for visual and informational purposes only.
- Johnson County GIS Data should not be used for title purposes, to determine precise boundaries, parcel boundaries, nor precise legal descriptions. The data shall not be construed to be an official survey.
- Johnson County GIS data is considered dynamic data, is updated frequently, and subject to daily changes as records are recorded in the County Clerk's Office. It is your responsibility to contact the county as you need future updates.
- Johnson County strives to make all County GIS data as accurate as possible. Direct all questions, concerns, or problems to:
