Correspondence from the City of Buffalo for the 1% Optional Sales tax monies for weed spraying and trail maintenance would be available after July 1, 2020. The City also allocated funds for half of the liability insurance premium.

The members reviewed the budget again so the final could be sent in by July 31, 2020. All were in favor of submitting it as shown.

On July 1, 2020 the Lutheran Church set the bench and Lutheran sign near the Wyoming Railroad Terminus Site.

Megan advised that she received a call from the Trail Board in regards to whom took care of the trail at the Park. Megan advised the members took care of the trail.

Discussed the tree situation at the park as some of them didn't leaf out this year as well as in the past. After further discussion we will see how they do next spring and decide if some tree maintenance needs to be done.

Various maintenance work has been done at the Park in the past month. Rick will do further maintenance work on some signs. Vicky was to contact John Zorbas about some erosion at a pipe to see how it can be fixed as it is coming out to the trail.

There being no further business the meeting was adjourned at 5:35 pm. Next meeting will be held August 26, 2020.

Respectfully Submitted
