

JOHNSON COUNTY
Harold Jarrard Park Board Meeting
Dec 15, 2020

Present were Keri Malson, Deb Hepp, Barry Gehrig, Dave Straub, Ethan Hepp

The financial information for Nov/Dec was reviewed and discussed.

Old Business: The backboards were discussed. There are bumpers in storage. We will look into how to affix them to the backboard.

New Business: There was a new bid for the sewer project to finish the bathrooms. It was moved and seconded to accept the bid for this project. 3 votes for and 1 vote against it, motion passes.

The discussion took place around when the project would complete and the cost of the project.

With the power outage it is important to make sure everything is backed up to the generator. The new heating system was in question. The purchase of an AED was discussed. This would be a huge benefit to our workout room and a much-needed device to have here in this community building. We would like to purchase a new canister for the arena area. It was also discussed to paint many spots down there like the grandstand.

Next meeting will be 7:00pm Jan. 19 2021 at the HJP.
