

JOHNSON COUNTY
Harold Jarrard Park Board Meeting
May 19, 2020

Present were Dave Straub, Keri Malson, Ethan Hepp, Barry Gehrig

The financial information for April/May was reviewed and discussed.

Old Business: There has been some deep cleaning taking place. Due to the shutdown with covid, the building is very quiet. The rodeo is planning on hosting again this summer and will need the bathrooms in use. New heating system is nice.

New Business: It was moved by Malson seconded by Hepp to accept the bid for a new chute and purchase this before rodeo season arrives. Hope that covid will allow use of the building for at least those to exercise.

Next meeting will be 7:00pm June 16 2020 at the HJP.
