JOHNSON COUNTY CLERK'S OFFICE
BUFFALO, WYOMING
REQUEST FOR INFORMATION — ONE BASIC SEARCH

The employees of this office are not allowed to determine land ownership, proper transfers, owners of record, proper liens and releases of the documents. The purpose of the County Clerk's Office is to record documents presented to us. However there are some basic searches that we will perform for the customer and we will need the information listed below per search.

If a request is more lengthy or legal in nature, we may not be able to complete your search. In those instances, we will notify you of the fact that we cannot complete your search and that you may need the assistance of a Title Company or Record Research person.
