

## The Buffalo Senior Center

### Do you need groceries? Supplies running low?

Our friends at **DJ's**, and Buffalo Area Transportation System (BATS) are here to help.

If you need groceries picked up at **DJ's** by our BATS drivers, do these **three** simple steps.

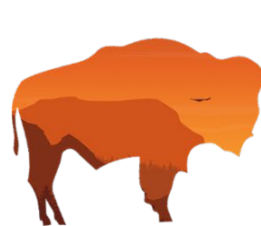

- 1) Call the Buffalo Senior Center **(684-9551)** to find out when a bus will be available to pick up your groceries.
- 2) **Call in** your order to **DJ's (684-2518)**. Let them know a BATS driver will pick up your order for you. After you place your order, **DJ's** will call you back with the dollar amount that your check needs to be written for.
- 3) You can also pay **DJ's** with a CREDIT Card at the time you order, **OR** the BATS driver will happily take your check. **NO CASH.**

Your check and receipt will be returned to you with your groceries by the BATS driver.

*This service is for our seniors age 60 and older.*
