The Masonic Fraternity is the oldest Fraternity in the world. The Wyoming Masonic Family includes Freemasons as well as organizations for their ladies, couples, and youth. The primary tenets of our Fraternity are Brotherly Love, Relief and Truth. Anchor Lodge No. 7 A.F. & A.M. is a member of the greater Wyoming Masonic family. Our Grand Jurisdiction, or Grand Lodge is the Grand Lodge of Ancient Free & Accepted Masons of Wyoming. In North America alone, Freemasonry contributes over two million dollars a day to charitable causes through its various concordant bodies. Most of that assistance goes to people who are not Masons. Some of these charities are vast projects. The Shrine Masons, known as Shriners, operate the largest network of hospitals for burned and orthopedically impaired children in the country, and there is never a fee for treatment.

Anna Maria Weston Therapeutic Equipment Lending

Phone: 307-851-1028

See: Wyoming Life Resource Center

Please call ahead and make an appointment; hours: Monday – Friday 9 a.m. – 3:00 p.m.

A lending library of therapeutic equipment and assistive technology has been established at the Wyoming Life Resource Center in Lander in memory of Anna Maria Weston. Many pieces of equipment have been donated from around the state so that others may have access to equipment without having to purchase it. Equipment may be borrowed from the center at no charge by anyone living in Wyoming. The equipment has been categorized and published online by Wyoming Institute for Disabilities Assistive Technology Resources project (WATR). Go the provided link and search for the equipment needed directly on the search box:

<https://wy.at4all.com/>

Donations of equipment no longer being used can be made to the lending library. Monetary donations can also be made to the Anna Maria Weston Memorial Fund to support the lending library. All donations are tax deductible.

Our mission is to protect and enhance the health and wellbeing of all Johnson County citizens. We are committed to preventing the spread of disease, preventing injuries, promoting healthy behavior, increasing access to healthcare, helping people find the services they need, protecting against environmental hazards, and working with the Wyoming Department of Health to improve training, quality of services and special programs.

With offices in Buffalo and Kaycee, our services are geared to the wellbeing of individuals of all ages, from newborns to the elderly. We believe that an informed and prepared community is a happy and healthy one, which is why we are committed to providing educational services on a wide range of issues, from family planning and childbirth classes to emergency preparedness. We offer adult vaccinations and childhood immunizations, flu shots, contraceptives, screening for STD's and HIV, dietary advice, and general safety training and support. Best of all, our services are never dependent on income or insurance status. While we gladly accept donations, we never turn anyone away for an inability to pay.
