Current Updates 4/15/20

GOVERNOR OF WYOMING

Governor Gordon held a press conference at 4:00 pm today. While he did not update the current Health Department recommendations, he commented that his team is reviewing data and would use that data to decide the appropriate course to proceed regarding the COVID-19 restrictions. He stated that Wyoming and neighboring states do not share Covid-19 timelines with Colorado peaking currently, Wyoming's peak expected in early May, and South Dakota's expected in June.

COVID-19 Status

- **Johnson County** has 11 confirmed cases; 2 probable cases; 1 Covid-19 related death to date. 10 of the confirmed cases have recovered.
- **Wyoming** has 288 lab-confirmed cases; 105 probable cases; and 2 Covid-19 related deaths. These figures include 176 documented recoveries.

Prior Updates

(Due to the Increased Number of Updates, the EOC Press Release will carry items for two releases only.)

Reminder from the EOC Medical Liaison.

Dr. Dozier Tabb urges residents to continue conscientious social distancing, handwashing, and isolating if one feels ill. Research suggests that the Covid-19 peak in our community will not occur until early May. Johnson County Nurse Manager Trisha Thompson reminds us that in order to protect our most vulnerable citizens, we need to continue vigilant social distancing.

EOC releases will be published daily as needed.
