## **Current Updates 5/8/20 Report**

### **JOHNSON COUNTY EMERGENCY OPERATIONS CENTER (EOC)**

- Johnson County has been approved for a Variance to the Governor and State Health Officer's Order. This Variance allows restaurants and bars to open with certain infection control procedures, as well as Church and Funeral services. To find these Variances please visit [johnsoncountywyoming.org/covid-19](http://johnsoncountywyoming.org/covid-19).
- FREE DUMP DAYS May 13-16. For City residents please visit the City Hall for a voucher. You will need your license plate number, make and model of the vehicle you will use for trips to the dump. Please note that only 1 person will be allowed at the counter, and you may have a wait time. Please have your information ready and available to cut these wait times down. County residents please see the County Treasurer for a voucher, following these same procedures. You may pick up a voucher May 11-15.
- Mikesell-Potts will open for camping on May 11 with the following restrictions:
  - 1 camping unit per site.
  - No groups over 10 people.
  - All campers are encouraged to practice social distancing and proper hygiene.

### **JOHNSON COUNTY HEALTHCARE CENTER**

#### **Johnson County Healthcare Center COVID-19 Care Line**

- JCHC has an established COVID telephone triage system for all patients in Johnson County.  
Business Hours - [307-684-2228](tel:307-684-2228)  
After Hours - [307-684-5521](tel:307-684-5521)

### **WYOMING STATUS**

- 483 confirmed cases as of 05/07/2020; 7 related-deaths

### **JOHNSON COUNTY STATUS**

- 11 positive cases; 1 related-death
- No confirmed positive cases since April 9
- 80 people have been tested to date countywide
- JCHC is waiting for 6 pending results on tests conducted this week

- JCHC has approximately 235 testing kits on hand

### **JCHC REOPENING STATUS**

- JCHC's reopening plan adheres to state and federal that are driven by county epidemiological criteria and performance data.
- Essentially all services are available again, including all types of primary care visits, elective surgeries and elective diagnostic imaging (e.g. mammograms). JCHC is excited to offer our new 3D mammography technology to patients!
- All patients/visitors continue to undergo screening for COVID symptoms via phone and at the two main JCHC entrances.
- Cardiac rehabilitation services will delay opening due to the high-risk nature of those patients.
- Specialty visits – Audiology and Orthotist/Prosthesis services are available again at JCHC. Orthopedics, Urology, cardiology and others will be available again soon.
- JCHC's COVID Evaluation Clinic will remain intact and available for the foreseeable future.

### **REMINDERS FROM JCHC**

- All infection prevention measures previously instituted at JCHC remain in place, including our universal masking policy for all who enter our facilities.
- We request people bring a face covering with them to JCHC because we have limited supply at our doors for those without face coverings.
- Amie Holt Care Center will remain locked down for visitation, but new residents may be admitted on a case-by-case basis if they meet strict criteria and test negative for COVID.
- The Family Medicine Clinic will continue to offer telehealth visits for basic primary care needs.
- Entrances to all JCHC facilities will remain limited and controlled and all visitors and employees will continue to undergo screening for COVID symptoms.
- Non-essential travel for JCHC employees will resume 05/08/2020 in line with Governor Gordon's directive, although employees are cautioned to remain vigilant and practice good infection prevention.
- JCHC's COVID inpatient visitor policy remains intact. The policy allows two visitors over the age of 18 with inpatients.
- High-risk individuals in our community should continue to shelter in place.
- Regardless of gradually changing restrictions in our county, state and country, please continue to practice proper social distancing, masking and hand hygiene. It will make a difference now and in the future.
- 

### **Prior Updates**

### **GOVERNOR'S OFFICE**

- **Governor Mark Gordon** held a press conference today in which he announced that the new Public Health Orders that will be continued on May 15 will loosen restrictions on restaurants, bars, and churches. Governor Mark Gordon also has signed a proclamation convening a special session of the Wyoming Legislature to help respond to the COVID-19 pandemic.

- Game and Fish announced that the non-resident fishing licenses will be restored this Saturday, May 9, 2020.
