March 17, 2020

Present were Dave Straub, Keri Malson, Barry Gehrig, Deb Hepp

The financial information for Feb/March was reviewed and discussed.

Old Business: Kettle bells were purchased. It has been nice having Tori she has done a great job at getting things going here. She really does a fantastic job with the cleaning and organizing.

New Business: We would like to keep in mind for this next year to remain consistent with our maintenance of the blacktop and the grounds. We discussed having enough funds to properly meet the expectations of various maintenance projects.

Next meeting will be 7:00pm April 21 2020 at the HJP.
